Fidelis Lady Mentors

The 2023 Fidelis Year runs October 1, 2022- September 30, 2023

Each year, I am in complete awe of the impact and growth of the Fidelis Sisterhood. This past year was no different as it was packed with our best and biggest Inspire ever, our first ever Day of Giving on the Feast of the Coronation of Mary, Fidelis representation in the Magnificat's World Youth Day Program Booklet, and the most Coronations in Fidelis history! Fidelis is making an impact on young women, and the culture because of YOU!

This coming year, we are looking forward to THREE major and brand-new happenings in Fidelis. A Mentor Pilgrimage to the Shrine of the Blessed Sacrament, Fidelis representation at the National Eucharistic Congress, a 2nd Inspire location in the North West, and so much more. A sincere and heartfelt THANK YOU is in order, for your continued generosity and support of this mission. THANK YOU!

FIDELIS EXECUTIVE DIRECTOR

"Despite raising her in the Church, I could feel my daughter slipping right through my fingers. Fidelis helped her to connect with content and friends that will help her grow in faith, not fall away from it."
